

# Mile Cross Primary School

This week - Open events in school (back page)  
- It's half term next week !

*Working As One*

Friday 21st October 2022

This week **Nursery** have been looking for the signs of Autumn.

**Reception** have been enjoying exploring pumpkins and using them as fairy houses.

**Year 1** learnt about addition and how it can be linked to stories. They also learnt that addition can be done in any order, but the most efficient way is to start with the biggest number.

This week, the children in **Year 2** really enjoyed mixing the different ingredients and kneading the dough when making bread in Design Technology lessons.

## KS1 Football

It was great to take a group of KS1 children to a football tournament this week, held at Norwich City's training ground at Colney. It was also rather special for the children that a number of the Norwich City first team squad came over to chat and interact with them.

## End of half term

We break up today at 3:15pm and return on Monday the 31st October (Halloween) with the gates opening at 8:30am. Have a great break.

## Lollipop Lady Crossing

Children are reminded that when crossing the road with the help of the Lollipop ladies that they need to get off bikes and scooters and walk across for their safety and the safety of others.

Mr Allen

**Class 3SC** enjoyed making bread and twisting round willow sticks, just like in the Stoneage

**Year 4** have been painting the coil pots we made at Forest School. We looked at traditional Celtic designs and colours.

**Year 5** have been practicing using Van Gogh's techniques to draw pictures.

**Year 6** have been working on their stamina. In a competition between girls and boys to see who can do the most laps of the field, the girls narrowly won!

## Presentation Assemblies

Thank you to all the parents who were able  
to make it to the presentation assemblies.

But we also know that many of you have  
important jobs that make it very difficult to  
attend school events. So for all of you,  
please find below the video links for the  
presentation assemblies so you can watch at  
home and hear about all the great work your  
children have been doing so far this term.
